3. Health Guarantee

 - **Full Refund or Replacement:** If the puppy is diagnosed with a genetic disorder within the first year of life, Purchaser is entitled to a full refund or a free replacement puppy from the next available litter.
 - **Partial Refund or Discount:** If the puppy is diagnosed with a genetic disorder between the ages of 1 and 2 years, the Purchaser is entitled to a 50% refund or a 50% discount on a new puppy from the next available litter.
- The Purchaser is responsible for any and all costs associated with proving a genetic disorder through a licensed veterinarian diagnosis and documentation.

4. Return Policy

- If the Purchaser is unable to keep the puppy for any reason up to the age of 2 years, the Purchaser is required to return the puppy to 307 Dobermans. Alternatively, rehoming arrangements may be made, with prior agreement from 307 Dobermans.
